WINEMAKER

EMILIANO DOMINGUEZ BATTOCHIA

WINEMAKING

Made from our own grapes, immersed in the Cachapoal Valley. Harvested by hand in 12 kg boxes. After a selection of clusters, it goes directly to the stainless steel tank without any interaction with pumps. Cold pre-fermentation maceration for 4 days, followed by alcoholic fermentation at an average temperature of 22°C (72°F). Aging in 225 liter French oak barrels for 24 months, where malolactic fermentation also takes place. 50% of the barrels are first use. After bottling, the wine is aged for a minimum of 18 months in bottle before release.

TASTING NOTES

Bright purplish red color. Aromas of blackberry, blueberry, black currant, violets, tobacco, black pepper and balsamic notes. Pleasant, fresh, structured palate with silky, pleasant tannins, good structure and power. Creamy texture. Long and balanced aftertaste.
